

## **Report on the Vijaya-Diwali Sammilani held on 22.11.2020 (Sunday)**

The Vijaya-Diwali Sammilani this year was held online on 22.11.2020 (Sunday) starting at 5:00. It was attended by about 14 family members including our newest and the first online member Pradip/Anindita Das with young Toushini. The evening was largely full of lively Adda with few discussions, alongside spontaneous performance from almost every one including the youngest ones. Although snacks items were missing, there was no lack of stimulants and the proceedings went on till about 7:30 PM.
