

Report on the online Rabindra-Nazrul Evening on 06 June 2021

Dear Members:

This year also, due to the pandemic situation, it was held online through Goggle Meet, thanks to Nilanjana Dasgupta. The response has been overwhelming with nearly 20 member families, including the next generation. It started sharp at 5:00 pm with Bimal Dutta and Prasun Ganguly garlanding the photos of Rabindranath and Nazrul, respectively. Almost all the participants made some presentation, coming forward to perform. Because of the network problem due to bad weather, we missed some participation. Despite this, the interaction was lively, lasting for nearly two and half hours till about 7:30 pm. The members enjoyed their own cups of tea and snacks sitting in the comfort of their homes. Thanks to Prasun Ganguly and Subha Mukhopadhyay (Piya) for organizing and conducting the programme.
