

## **Report on the online Rabindra-Nazrul Evening on 09 August 2020**

Dear Members:

This year, due to the pandemic situation, it was held online through Goggle Meet on 9 August 2020, thanks to Nilanjana Dasgupta. Surprisingly, the response has been overwhelming with nearly 40 members from 23 families, including the next generation. It started sharp at 5:00 pm with Puja Dutta garlanding the photos of Rabindranath and Nazrul, painted by herself. Then, almost all the participants made some presentation, coming forward to perform. The whole event was a good break for many members from the boredom of having to stay indoors and the interaction was lively, lasting for nearly three and half hours till about 8:30 pm, despite being served with no food and drinks. The members however enjoyed their own cups of tea and snacks sitting in the comfort of their homes. Thanks to Prasun Ganguly and Subha Mukhopadhyay (Piya) for organizing and conducting the programme.
